

Brad Wiles – Your Local Santa Cruz Personal Injury Lawyer for Local Cases

Having a local personal injury attorney advocate and fight for your rights in injury and accident cases can make all the difference in the world.

Knowing the ins and outs of the Santa Cruz legal and medical community can make all the difference in the settlement of your personal injury claim. For the past 31 years, Santa Cruz personal injury lawyer, Brad D. Wiles, has brought thousands of personal injury claims to conclusion either through trial, arbitration, mediation, or settlement and has collected millions of dollars in settlements for clients in cases involving [car accidents](#) , [motorcycle accidents](#) , [big truck accidents](#)

, [dog bites](#)

, back and spinal cord injuries, brain injuries,

[wrongful death](#)

and more.

Brad proudly welcomes his son to the practice

We are very pleased to announce the addition of a new lawyer to the firm. After working as a paralegal in the office, assisting his father in this specialized area of personal injury law, Brad's son Tyson passed the bar in December, 2011 and now joins his father in the practice. Read more about

[Santa](#)

Now, with two attorneys in the office the law office, Brad Wiles is even more ready to handle all of your personal injury needs.

To Santa Cruz and beyond

While our Santa Cruz, California personal injury law firm focuses primarily on local cases, we do travel throughout the state of California for serious injury and [wrongful death](#) claims.

Free consultation

Mr. Wiles is happy to offer a free consultation to all prospective clients. You have the choice of meeting in person in his Santa Cruz office or over the telephone. Mr. Wiles handles all of his clients on an individual basis and is extremely diligent in returning all calls and will make himself available at a time convenient for you.

Our goal is to give personal attention and to achieve the largest settlement possible for our personal injury clients in Santa Cruz and California.

If you have been injured in an [pedestrian](#) , [big rig/truck](#) , [motorcycle](#) , [bicycle](#) or [automobile accident](#) , or

if you have been the victim of a

[dog bite](#)

or other

[animal attack](#)

, you have legal rights and are entitled to compensation for your medical bills and pain and suffering. Your claim will not be shuffled off to paralegals and clerks after your initial consultation with Mr. Wiles. While he does have outstanding paralegals for the records collections process, Mr. Wiles personally handles all telephone calls, correspondence and communications with clients, insurance companies and opposing counsel.

Mr. Wiles and his clients develop a team approach which involves keeping the client completely up to date as to each and every development of their claim as it progresses towards litigation or settlement. With continual communication between the attorney and client, a true team relationship is developed which promotes knowledgeable and effective settlements.

There is no fee to the client until we are successful in settling your personal injury claim.

Santa Cruz personal injury attorney Brad D. Wiles will advance all costs necessary to pursue your claim in addition to devoting sincere personal effort in reaching the maximum settlement available. Mr. Wiles works exclusively on a contingency fee basis which means that there are no fees unless and until a settlement is reached.
